Dear Sirs: Writing,

Thank you for your call earlier.

I have attached as many screenshots from Fiona Harvey to this email that I possibly can. There are so many more, but this will give you a flavour of the kind of things I have been receiving.

The voicemails are another level to this - and these are pretty bad - so hopefully you will be able to listen to those at some point if I can get them across to you.

Kind regards,

Richard

For the first time ever I slammed off the daily politics show

I normally have it on in the background whilst I'm doing stuff if I can

I thought if I get one more peep. Out of so called feminist s gay or ethnic minority folk ill blow my top

Who came on bonnie Greer

I could not get hold of that remote control quick enough

Maybe I'm having a mid life crisis but I don't want to hear social groups whi feing

Oh I'm gay I'm gay

Oh I'm black in black

Oh ima Muslim poor me

Oh I'm trying to be a pretend feminist poor me

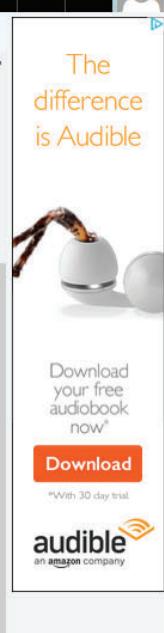

It does my bloody head in

No you are trying to make money out of being a whinger

Maybe I should eat my dinner before reading the I love me who do u love newspaper all about mr khan

It used to be called the evening standard

Now it's called the khan comic

Fiona Harvey Sun 24/07, 10:09 You

I was gonna come see your show at Harrison's bar

I came over all tired at five had already been in camden and kings cross yesterday morning

Got sunburnt but was very sick then diarrhoea later

Had to nap

It's a bug or acid reflux or sunstroke

I can't stand all the bloody foreigners in the streets this time year but was genuinely sick

I did so much want to see it and let u fuck my brains put.

Fiona Harvey Fri 06/05, 17:43 You

I've masturbated and looked at photos of cute babies now I'm gonna have a drink so I can cope wen they tell me the wee poisoned dwarf has won.  
I've done everything possible to calm me down.
